

BATA

JOB SPECIFICATION

Position: Mill Operative

JOB ROLE PROFILE

Job Title:	Mill Operative
Work Location:	Amotherby, Malton, YO17 6TA
Hours of work:	42 per week – 12 hour shifts across 7 days allocated by a rota system, 06:00 – 18:00 and 18:00 - 06:00. This rota may be altered at any time according to the needs of the business.
Job type:	Permanent, Full Time

Job Purpose

Responsible for the safe and clean production of animal feed, including carrying out specific operations within the production process such as: intake, plant cleaning and basic maintenance. This role involves shift work, and post-holders are expected to follow the allocated rota system as updated and issued by the Operations Manager / Mill Foreman.

Job Tasks

- Adherence to safe working practices and Health and Safety instructions.
- Safe and clean production of animal feed and other Company produce.
- Safe operation of Company machinery.
- Optimise usage of machinery and the running of all press lines at all times during your work.
- Ensure that work areas assigned to you are kept clean and tidy at all times.
- Comply with all Company procedures currently in place or which are introduced to ensure the safe operation of Company practices and the safety of the individual.
- Ensure the correct clothing and appropriate safety devices are worn at all times whilst carrying out your work.

In addition to the above, the post holder will be expected to carry out any reasonable task which falls within the scope and purpose of the post, or which the Company deems is within their capabilities.

If you think you have the skills and experience we are looking for, we would love to hear from you!

Due to the high number of applications if you have not heard from us within 14 days from submitting your application, please assume you have not been successful on this occasion.
